

St. John's Church: Today & Tomorrow Parish Survey, June 2015

As part of the process for identifying and calling a new Rector for St. John's, the Vestry and Search Committee are preparing a Parish Profile to help clarify and understand who we are and what our future will look like as we prepare to welcome a new Rector.

On Sunday, June 7th, over 80 members of our congregation met and discussed their values, their goals and their vision for our church. This survey is a result of this lively and engaging discussion. Your participation will provide further input into this process and will help us describe ourselves to potential candidates. Thank you for your honest and thoughtful responses.

Please check off the **five** choices that best match your own responses to the following six questions. If there is an answer that you do not see on the list, please mark "other" and write in your response at the bottom of the page.
